The Company is engaged in the business of Hire Purchase and Lease finance and has completed 36 years of operation in this field. During the year 2018-2019, the Company has earned a net profit of Rs. 84.11 Lakhs as against the net profit of Rs.161.96 in the previous year 2017-2018.

Hire Purchase and Lease finance business is facing severe competition and margins are under great pressure. In the aftermath of stringent Prudential Norms promulgated by the RBI, the NBFCs all across the country suffered a severe set back. Their borrowing capacity is drastically curtailed. With no avenues for further growth, together with ever increasing defaulters in the list of corporate clients, triggered the downfall in the performance of the NBFCs. The situation that has arisen in your Company is in no way different. In spite of these hurdles, the Company has tried its best to salvage the situation by reducing its operational cost on all fronts.

The Company is putting in serious efforts to recover NPA accounts. Criminal complaints under Section 138 of Negotiable Instrument Act are also lodged simultaneously against such defaulters whose cheques were dishonoured. The Company is making good progress on the Recovery Front.

The Company has appointed M/s. N P Pai & Co. Chartered Accountants, Udupi (Firm Regn. No. 115271W) as its Internal Auditor.

The discussion on financial performance of the Company is covered in the Director's Report. There has been no material development on the human resource front during the year. The number of employees employed as on 31st March 2019 was 3. During the year ending 31st March, 2005 the Scheme of Compromise and Arrangement under Section 391 of the Companies Act, 1956 to effect the restructure of Company's debts particularly Debentures and subordinated debts of the Company was framed and presented before the Honorable High Court of Karnataka. Accordingly, the meeting of the Shareholders, Debenture Holders and Subordinated Debt holders were held on 20th April, 2005. The scheme as proposed had provided for payment of principal in a phased manner over 60 months from effective date and payment of interest accrued till 30th June, 2002 within 72 months from the effective date. The Scheme as proposed do not provide for accrual of interest after 30th June, 2002. (For the above purpose the effective date means the date on which the Order of High Court of Karnataka sanctioning the Scheme of Arrangement is filed with the Registrar of Companies in Karnataka.)

On 10th July 2009, Honorable High Court of Karnataka has directed the Company to submit the details of payments made to Non-Convertible Debenture holders and subordinated debt holders from 1st April, 2005. Accordingly the details were furnished to Honorable Court. It was submitted before the Honorable Court that the Company has settled substantial portion of Non-Convertible Debentures and Subordinated Debts and it was therefore felt that the scheme requires to be changed having regard to the settlements already made and quantum of non-convertible debentures and subordinated debts remaining to be settled. Therefore the Company had proposed to withdraw the scheme of arrangement from the Honorable High Court of Karnataka, with an option to present a new scheme of arrangement. The Honorable High Court of Karnataka has permitted the Company to withdraw the petition, with liberty to file a fresh petition, vide its order dated 28th October, 2009. Accordingly, the Company is exploring the possibility of proposing a fresh petition to be filed before the Honorable High Court of Karnataka.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Manipal Finance Corporation Limited, Manipal
Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the accompanying financial statements of **Manipal Finance Corporation Limited** (CIN: L65910KA1984PLC005988) ("the Company"), which comprises the Balance Sheet as at 31st March 2019, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, notes to the financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effect of the matter described in the Basis of Qualified Opinion paragraph, the aforesaid Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read with the Rule 7 of the Companies (Accounts) Rules, 2014 i.e. the Companies (Accounting Standard) Rules, 2006 read with Companies (Accounting Standard) Amendment Rules, 2016 and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and its cash flows for the year ended on that date.

Basis for Qualified Opinion

1. We draw attention to Note No. 24.02 of the financial statements. The Company has incurred losses and its majority of funds are blocked in Non Performing Assets, raising a doubt about the Company to continue as a going concern. The Company has presented a scheme of arrangement for restructure of liabilities as detailed in Note No. 5.2.01 of the financial statements and subsequently withdrawn the same, for reasons given therein. The Company is exploring the possibility of presenting the new scheme of arrangement, as detailed in the aforesaid Notes. The account, however have been prepared on a "going concern basis" in view of management perception as detailed in Note No. 24.02 as aforesaid. However we are unable to comment on the ultimate realisability of Company's assets including the Fixed Assets under lease. Accordingly we are also unable to comment on the Company's ability to settle its debts/liabilities (including Deposits, Subordinated debts and Secured Redeemable Debentures.)

2. We draw the attention to Note 5.2.01 of the Financial Statements. The Company has stopped (i) repayment of matured debentures & matured subordinated debts and (ii) payment of interest on debentures and subordinated debts from 1st day of July 2002 and proposed a scheme of arrangement before the Hon'ble High Court of Karnataka, as referred to in the aforesaid Note (which is since withdrawn and we are informed that the Company is exploring the possibility of presenting a new scheme of arrangement). Further the Company has also stopped repayment of deposits matured for repayment from the aforesaid date. All the debts of the Company i.e. debentures, subordinated debts and deposits are matured for repayment. The Company has provided for interest on deposits/debentures/debts up to 30th June 2002 and not thereafter.

There are also many instances of settlement of debentures, debts and public deposits at the discounted rates with partial/full waiver of interest, which has been done with mutual consent. We are also informed that the remaining depositors/debenture holders/debt holders have approached the Company for settlement of the dues and the Company is in the process for the same.

As per the information given to us various consumer courts (including the Appellate Authorities/Courts acting under the Consumer Protection Act) have passed the orders, for the repayment of certain deposits/debentures/debts with interest and other costs. The detailed information on these orders have not been made available to us. However we are informed that the Company has settled the dues of such customers in many cases, which also includes settlement at discounted rates with partial/full waiver of interest and many of the remaining such persons have approached the Company for settlement.

We draw attention to the Statement made by the Management of the Company in Note No. 5.2.01 of the Financial Statement which is as follows: "Considering the facts that the Company has settled the dues of depositors/debenture holders/debt holders at the discounted rates as stated above, that the remaining customers have approached the Company for settlement of their dues, that the orders issued by the various consumer courts including the appellate authorities/courts therein, that the Company has settled the many of such consumer court cases, that the total debts of the Company have reduced considerably because of settlement as aforesaid and that the Company is exploring the possibility of framing the new scheme of arrangement, it is not feasible for the Company to ascertain accurately its liability on any given date".

Considering all the facts as given above, we qualify our opinion that it is not feasible for us to ascertain accurately the liability of the Company as on the date of the Balance Sheet.

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Emphasis of Matter:

1. We draw the attention to Note 2.01 of the Financial Statements. The Company during the year with a view towards restructuring its liabilities has settled deposits/debentures/subordinated debts at discounted rates. The same has been done with due consent of the parties to deposits, debentures and debts. The interest write back arising out of such settlement is considered as Extraordinary Income in the Statement of Profit and Loss. Principal write back arising out of such settlement is considered as capital receipt and taken directly

to Capital Reserve (viz: Capital Reserve 2) in the Balance Sheet. This has been done as per the accounting policy followed by the Company, as stated in Note No. 24.01 (I). The Company had made similar settlements during the earlier years also, by giving the similar accounting treatment. Our opinion is not modified in this matter.

2. We draw the attention to Note 24.11 of the Financial Statements. The Company has earned Profit during the year and also during immediate previous financial year i.e. year ending 31st March 2018 due to exceptional income as disclosed in Note 21 and Extraordinary Income as stated in Note 22. Our opinion is not modified in this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Except for the matter described in the 'Basis for Qualified Opinion' and 'Emphasis of Matter' section, we have determined that there are no other key audit matters to communicate in our report.

Other Information (other than the Financial Statements and Auditors' Report thereon)

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Corporate Governance Report (including shareholders information) and Schedule to Balance Sheet of a Non-Banking Financial Company (as required in terms of Paragraph 9BB of Non-Banking Financial Companies Prudential Norms (Reserve Bank) Directions, 1998) but does not include the financial statements and our auditors' report thereon. The above information is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Board's Report including Annexures to Board's Report, the Corporate Governance Report (including shareholders information) and Schedule to Balance Sheet of a Non-Banking Financial Company (as required in terms of Paragraph 9BB of Non-Banking Financial Companies Prudential Norms (Reserve Bank) Directions, 1998), if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence

obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding the independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where, applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

"REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF EVEN DATE

Report on the Internal Financial Controls under Clause (h) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Manipal Finance Corporation Limited ("the Company") as of 31st March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the

prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention of timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for issue of qualified opinion

We draw attention to Note 24.08 of the Financial Statements. The Company has not verified the Fixed Assets under lease falling under the head "leased machineries and equipment" & "leased vehicles and furniture" of Note 6 of the Financial Statement.

Qualified Opinion

In our opinion except for the effect of the matter described in the Basis for Qualified Opinion paragraph, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal controls over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

	197,488	213,149

Note 5.2.01: The Company has stopped accepting/renewing deposits, debentures and subordinated debts with effect from 1st day of July 2002. Therefore and also considering the fact that the public deposits accepted by the Company are fully matured, the Company has not created the floating charge in favour of the depositors, on the statutory liquid assets invested in terms of directives issued by Reserve Bank of India.

During the year ending 31st March 2005 the Scheme of Compromise and Arrangement under Section 391 of the Companies Act, 1956 to effect the restructure of Company's debts particularly Debentures and Subordinated Debts of the Company was framed and presented before the Honorable High Court of Karnataka. Accordingly the meeting of the Shareholders, Debentures Holders and Subordinated Debt holders was held on 20th April 2005. The scheme as proposed had provided for payment of principal in a phased manner over 60 months from the effective date and payment of interest accrued till 30th June 2002, within 72 months from the effective date. The scheme as proposed, do not provide for accrual of interest after 30th June 2002. (For the above purpose the effective date means the date on which the Order of the High Court of Karnataka sanctioning the Scheme of Arrangement is filed with the Registrar of Companies in Karnataka.)

On 10th July 2009, Honorable High Court of Karnataka has directed the Company to submit the details of payments made to Non Convertible Debenture holders and subordinated debt holders from 1st April 2005.

Accordingly the details were furnished to Honorable Court. It was submitted before the Honorable Court that the Company has settled substantial portion of Non Convertible Debentures and Subordinated Debts and it was therefore felt that the scheme requires to be changed having regard to the settlements already made and quantum of non convertible debentures and subordinated debts remaining to be settled. Therefore the Company had proposed to withdraw the scheme of arrangement from the Honorable High Court of Karnataka, with an option to present a new scheme of arrangement. The Honorable High Court of Karnataka has permitted the Company to withdraw the petition, with liberty to file a fresh petition, vide its order dated 28th October 2009. Accordingly the Company is exploring the possibility of proposing a fresh petition to be filed before the Honorable High Court of Karnataka.

The total of the principal sum and interest due in respect of Public deposits/debentures/subordinated debts as on 31st March, 2002 (i.e. as on the last date of the financial year, immediately preceding the year in which the Company has stopped payment of its debts) was Rs. 10,74,426 thousands. The Company has settled the major portion of the aforesaid dues from time to time, at the discounted rates (which includes settlement of principal at discounted rates and partial/full waiver of interest). Out of the aforesaid amount, a sum of Rs. 1,68,758 thousands (P.Y. Rs. 1,92,538 thousands) is remained unpaid as on the date of the Balance Sheet, thereby the liability of the Company reduced considerably over the period of time.

Further there are many instances, where the Company has received the orders from various Consumer Courts (including the Appellate Authorities/Courts acting under the Consumer Protection Act), regarding the repayment or proceeds of debentures/debts/deposits with interest and other costs. However many of such depositors/debentureholders/debt holders have approached the Company and Company has settled their dues at the mutually agreed rates, which also includes settlement at discounted rates. Many of the remaining such customers have approached the Company for settlement.

The Company is continuing to put more efforts on realisation of the dues, sale of assets etc., so that its debts can be settled at the earliest possible date. The remaining depositors/debenture holders/debt holders have approached the Company for settlement of their dues and the Company is in the process for the same.

Considering the above facts, the Company has not provided/recognised for interest after 30th June, 2002, on deposits/debentures/subordinated debts and interest on advances taken on such instruments. All the aforesaid deposits/debentures/subordinated debts are fully matured for repayment. Any interest paid over and above the provision made till 30th June 2002, charged to statement of profit and loss as Finance cost under Note No. 18.

Considering the facts that the Company has settled the dues of depositors/debenture holders/debt holders at the discounted rates as stated above, that the remaining customers have approached the Company for settlement of their dues, that the orders issued by the various consumer courts including the appellate authorities/courts therein, that the Company has settled the many of such consumer court cases, that the total debts of the Company reduced considerably because of settlement as aforesaid and that the Company is exploring the possibility of framing the new scheme of arrangement, it is not feasible for the Company to ascertain accurately its liability on any given date.

The Company has in view of the above and also considering the fact that there are no unclaimed liabilities, the matured debentures, matured deposits, matured subordinated debts and interest payable including uncashed interest cheques on such deposits/debentures/debts has been considered as "not due to be transferred to Investor Education and Protection Fund".

Other items include balance lying unpaid after adjusting deposits with loans borrowed against it. For the reasons as given above, the same has not been considered as amount due to Investor Education and Protection Fund.

Note 5.2.02: Unpaid Secured Non-convertible Debentures are secured by mortgage on Land & Buildings (Free Hold and Lease Hold) situated at Udupi District of State of Karnataka, State of Goa, Nasik District & Mumbai in State of Maharashtra and floating charge on receivables and book debts. The debentures were redeemable at par. The whole of the debentures are matured for repayment. Further the Company has not provided any interest on such debentures after 1st day of July 2002, as detailed in Note 5.2.01 above. Therefore the question of disclosure as to rate of interest etc. does not arise. In the opinion of the Management, the Market Value of the security offered to the holders of the aforesaid Debenture is sufficient to cover the liability.

Note 5.2.03: The balances held under "unpaid matured unsecured public deposits", "unpaid matured secured non-convertible debentures", "unpaid unsecured subordinated debts", interest accrued on the aforesaid deposit/debenture/subordinated debts and "Other Payables" are subject to confirmation.

Note 5.2.04: Other item also includes balance lying unpaid after adjusting deposits with loans borrowed against it, tax deducted at source remitted subsequently, other amounts received in the ordinary course of business, which are not material in nature etc.

Other items from related parties represents advance received from Sri T. Narayan Pai, the Managing Director.

NOTE 24: OTHER DISCLOSURE TO ACCOUNTS

24.01 Corporate Information and Accounting Policies:

Corporate Information:

The Registered Office of the Company is at Manipal (State: Karnataka). The Company had commenced its business as Non-Banking Financial Company registered with Reserve Bank of India as "Hire Purchase & Leasing Company". However the Reserve Bank of India has since cancelled the registration of the Company, the Company has stopped activities of accepting deposits from public/debentures/subordinated debts, extending loans, hire purchase and leasing activities since 1st day of July 2002. The present activity of the Company is being mainly restricted to recovery of dues and repayment of the debts. The other necessary details are being given under note 5.2.01.

Accounting Policies:

A. Basis of Accounting and Revenue Recognition:

- The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 i.e. the Companies (Accounting Standard) Rules 2006 read with Companies (Accounting Standard) Amendment Rules 2016 and the relevant provisions of the Companies Act, 2013. The financial statements are prepared under the historic cost convention in accordance with the provisions of the Companies Act, 2013 as adopted consistently by the Company. All significant

items of income & expenditure are accounted on accrual system of accounting. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

- 2) The Company has followed the Prudential Norms for Income Recognition as prescribed by Reserve Bank of India for Non-Banking Financial Companies. The principal write back pertaining to deposits & debentures (as stated in note 2.01) has been directly taken to the credit of Capital Reserve in the Balance Sheet, since the same is in the nature of capital receipt for the reasons as stated in note 24.01(I)
- 3) Income by way of "Interest" & "Rent" is recognized on the time proportionate method. "Dividend income" is recognized when the unconditional right to receive the income is established.

Interest on Income Tax refund and miscellaneous income are accounted as and when received, since the same are considered being due on the date of receipt.

B. Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

C. Investments:

Investments held as long term, if any, are valued at cost. Provision for diminution in the value of the investments is made wherever the management is of the opinion that such decline is other than temporary. Investments held as other than long term investments, if any, are valued at cost or net realizable value whichever is lower.

Investment in Freehold Buildings that are not intended to be occupied substantially for use by, or in the operations of, the Company, have been classified as Investment Properties. Investment Properties are carried at cost less accumulated depreciation. Depreciation is provided in the manner as stated in Para 24.01(E) below.

D. Inventory:

Inventory held is valued at cost or net realizable value whichever is lower. The Company has not purchased or dealt in spare parts and therefore has not framed any policy for valuation of the same.

E. Property, Plant & Equipments and Depreciation:

Freehold land is carried at historical cost. All other items of 'Property, Plant and Equipment' are stated at historical cost less accumulated depreciation and accumulated impairment losses if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items such as purchase price, freight, duties and levies. Such cost includes the cost of replacing parts of the 'Property, Plant and Equipment' and the borrowing cost till the date of installation of qualifying asset and any attributable cost of bringing the asset to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.

An item of 'Property, Plant and Equipment' and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

Further, when each major inspection is performed, its cost is recognised in the carrying amount of the item of 'Property, Plant and Equipment' as a replacement if the recognition criteria are satisfied. Machinery spares which are specific to a particular item of 'Property, Plant and Equipment' and whose use is expected to be irregular are capitalized as 'Property, Plant and Equipment'.

Spare parts if any, are capitalized when they meet the definition of 'Property, Plant and Equipment' i.e., when the Company intends to use these for more than a period of 12 months.

As 'Property, Plant & Equipment' held by the Company does not involve decommissioning cost and the cost of removal of the Machinery is not material considering the size of the Company. Considering this aspect, the Company has not made any policies for capitalising the decommissioning cost.

Depreciation on 'Property, Plant & Equipment' generally is provided on the Straight Line Method over the useful lives of the assets in terms of Schedule II of the Companies Act, 2013. Depreciation for the assets purchased/sold during the period is proportionately charged. Building constructed on the lease hold land, is depreciated over the period of lease or the useful life in terms of Schedule II of the Companies Act 2013, whichever expires earlier. Leasehold land if any, is amortized over the period of the lease. Improvements to buildings are amortized over the period of remaining useful life of the building. The residual values, useful lives and methods of depreciation of 'Property, Plant and Equipment'

are reviewed at each financial year end and adjusted prospectively, if appropriate and under such circumstances the appropriate disclosure will be made in the notes to accounts.

Leasehold assets i.e. Machinery, Equipments, Vehicles & Furniture are fully depreciated and the net block of those assets are being disclosed at residual value. Accordingly the Company has not made any fresh policy in respect of those type of leased assets.

F. Employee Benefit:

The Company's "Retirement Benefit Plan" and "Other Benefit Plans" comprises of Contribution to Provident Fund, Employee State Insurance and Gratuity. Contribution to Provident Fund and Employee State Insurance is being made at pre-determined rates and are charged to the Statement of Profit & Loss. The Company's liability towards gratuity to employees is covered by group gratuity policy with LIC of India and accordingly the premium paid, charged to the Statement of profit & loss. Deficit of fair value of Gratuity plan assets over the present value of obligations (under Gratuity policy) duly charged to the Statement of profit and loss, on year to year basis. Provision for leave encashment made on estimated basis.

There are no other retirement benefits/other benefits are being provided by the Company.

G. Operating Cycle:

Based on the nature of activities of the Company, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

H. Taxes on Income:

The Company has charged off the Current Income Tax to the Statement of Profit and Loss. Deferred Tax Assets/Liabilities recognised/provided in accordance with the Accounting Standard 22. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date, on the timing differences being the difference between the taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent period. Deferred tax Asset is recognised, subject to the considerations of prudence. Deferred tax asset so recognised, is being netted off to deferred tax liability or vice versa. Advance Income Tax Paid (including Tax deducted at source, tax paid on self assessment or otherwise) and provision for current Income Tax (if any) are presented in the Balance Sheet after setting off the same against each other.

I. Capital Reserve:

The principal write back pertaining to deposits, debentures and Subordinated debts as stated in Note no. 2.01, is in the nature of capital receipt. The stand taken by the Company is also duly supported by the decision of Jurisdictional High Court i.e. Honorable High Court of Karnataka, as reported in 285 ITR 310 (2006) (CIT Vs ICDS Limited) wherein it is held that surplus on purchase of own debentures is a Capital Receipt, not subject to tax and 249 CTR 214 (2011) (CIT Vs Compaq Electric Limited) wherein it was held that the waiver of the loan is a Capital receipt. In the case of the Company viz. CIT Vs Manipal Finance Corporation Limited (ITA No. 795 & 794/2008) the Hon. High Court of Karnataka has dismissed the appeal filed by the department on the similar grounds. Considering the above, the same has been directly taken to the credit of Capital Reserve in the Balance Sheet.

J. Borrowing Cost:

Borrowing cost are recognized as an expense in the year in which they are incurred except those which are directly attributable to acquisition/construction of qualifying fixed assets, (as defined under Accounting Standard 16), till the time such assets are ready for use, in which case the borrowing costs are capitalized as part of the cost of the asset.

K. Earnings per share:

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year. Diluted earning per share, if any is computed using the weighted average number of equity shares and dilutive potential equity share outstanding during the period except when the results would be anti-dilutive.

L. Impairment of Assets:

The Company has framed the policy of impairing the asset, when the carrying value of the assets exceeds its recoverable amount, under the circumstances when the Company is having the sources of information (whether internal or external) that an impairment loss may have occurred. Accordingly, impairment losses will be charged to profit and loss account in the year in which an asset is identified as impaired. The impairment losses recognised in prior accounting periods is reversed if there has been a change in the estimate of the recoverable amount.

M. Contingent Liabilities/Assets:

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Provisions not made in the account (which otherwise should have been made) are disclosed by way of appropriate note. Contingent liabilities are not recognized but are disclosed in the notes. Contingent assets are neither recognized nor disclosed in the financial statements.

N. Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit / (loss) for the year is adjusted for extraordinary items and tax, the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information. Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-

term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

O. Rent:

Lease rent on cancellable operating lease is recognized as Income/Expense, as the case maybe in the Statement of Profit and Loss, on year to year basis.

24.02 The Company has been incurring substantial losses over the last few years and major portion of its funds are blocked in non-performing assets. In view of the same there is considerable uncertainty that the Company will continue as a going concern and meet its commitments to its creditors. The accounts however have been prepared on the going concern basis in view of management's efforts to settle the liabilities with the debenture holders and subordinated debt holders by exploring the possibility of submitting a new scheme and or settlement at discounted rates etc. as detailed in Note No. 5.2.01 and the management is being hopeful of recovery of dues from borrowers so that dues of creditors can be settled. Accordingly the management is of the opinion that the losses as aforesaid and also the circumstances as stated in note 5.2.01 of the financials statement will not have adverse effect on the functioning of the Company.

24.03 The Company has not recognised the net deferred tax asset which constitutes mainly of carry forward losses, excess depreciation claimed in Income Tax and Provisions for doubtful debts, as a matter of prudence. However, the amount of such asset is not quantifiable for the reason that the matters affecting computation of losses and allowance of depreciation is before the income tax appellate authorities and courts which is pending for disposal.

24.04 Disclosures in respect of related parties with whom transactions have taken place during the year:

24.05 Contingent & other Liabilities :

A. Liability in respect of damages and others in respect of suits against the Company before various Courts, Consumer Courts etc. (in respect of repayment of deposits/debentures/debts with interest & other costs) has not been quantified and provided, due to lack of information with the company and also considering the fact that many of such customers have approached the Company for settlement at discounted rates. The collection of information is under process.

B. No provision made for disputed income tax liability for various years wherever department has preferred an appeal before the Honorable Tribunal, Honorable High Court and Honorable Supreme Court. The question of quantification of liability thereon, does not arise, for the reason that the cases were allowed in favor of the Company, by the lower appellate authorities.

24.06 The Management of the Company is of the opinion that the directors of the Company are not disqualified u/s 164(2) of Companies Act, 2013 [in spite of the fact that the Company has stopped repaying matured debentures/debts/deposits and interest thereon as detailed in Note no. 5.2.01], for the reason that the Company is exploring the possibility of presenting a new scheme of arrangement, as detailed in the aforesaid note and also considering the following aspect:

As explained in Note 5.2.01 to the financial statements, the Company has stopped repaying the matured debentures/debts/deposits and interest thereon, with effect from 30th June 2002. The period of 5 years has already elapsed (since the last of the maturity dates, on which the Company has stopped the repayment as aforesaid) as on 1st April 2014 i.e. the commencement of the Companies Act, 2013. Accordingly, there are no new failures to repay liabilities after the commencement of Companies Act, 2013 as contemplated under Section 164(2)(b) of the Companies Act, 2013 and therefore the directors of the Company are not disqualified.

24.07 The assets of the Company are not valued, considering the cost involved therein. However the management is of the opinion that the carrying cost of the asset does not exceed its recoverable value. Further the Company does not have any information

whether internal or external, that indicates that "impairment loss may have occurred". Accordingly the question of impairment of assets does not arise.

24.08 The Company has not verified the Tangible Assets under lease falling under the head "Leased Machineries and Equipment" & "Leased Vehicles and Furniture", considering the fact that the present value of such assets are not material and also considering the cost involved in the aforesaid verification.

24.09 **Employee Benefits:**

Brief description of the Plans:

a) The Company has two schemes for long-term benefits such as provident fund and gratuity. In case of funded schemes, the funds are recognized by the Income tax authorities and administered through trustees / appropriate authorities. The Company's defined contribution plan is employees' provident fund (under the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952) wherein the Company has no further obligation beyond making the contributions.

The Company is also contributing towards Employee State Insurance Plan, as per statutory requirements, wherein the Company has no further obligation beyond making the contributions.

The Company is also providing employee benefit by way of encashment of earned leave. The provision for the same has been made on estimated basis. The amount involved therein is not material, considering the size of the Company. The Company has not opted for actuarial valuation, considering the cost involved and also the concept of materiality.

The Company's defined benefit plan is gratuity.

b) Charge to the Profit and Loss Account based on contributions:

The Company's contribution to Provident Fund charged to Statement of Profit and Loss during the year is Rs. 66 thousands. (P.Y. Rs. 64 thousands)

The Company's Contribution to Employee State Insurance Plan charged to Statement Profit and Loss during the year is Rs. 19 thousands (P.Y. Rs. 18 thousands)

The Company's liability towards gratuity to employees covered by group gratuity policy with LIC of India. Premium paid on this account is Rs. 73 thousands (P.Y. Rs. 69 thousands).
