### INDEPENDENT AUDITOR'S REVIEW REPORT

The Board of Directors

Manipal Finance Corporation Limited

1. We have reviewed the accompanying statement of unaudited financial results of Manipal Finance Corporation Limited ('the Company') for the three months period ended June 30, 2020 ('the statement') being submitted by the Company pursuant to the requirements of the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, as amended. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in its meeting held on September 15, 2020, and has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" as prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting policies generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagement ('SRE') 2410, 'Review Of Interim Financial Information Performed By The Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatements. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and this provides less assurance than audit. We have not performed an audit and accordingly we do not express an audit opinion.
3. Basis for Qualified Conclusion
  - a. It is not feasible to ascertain accurately the liability of the Company as on any date, for the reasons as stated by the Management, vide Note 6 of the notes to the unaudited financial results.
  - b. We draw attention to Note No. 8 of the unaudited financial results. The Company has incurred losses over the years and its majority of funds are blocked in Non-Performing Assets, raising a doubt about the Company to continue as a going concern. The account, however have been prepared on a "going concern basis" in view of management perception as detailed in aforesaid note. However we are unable to comment on the ultimate realisability of Company's assets including the Fixed Assets under lease. Accordingly we are also unable to comment on the Company's ability to settle its debts/liabilities (including Deposits, Subordinated debts and Secured Redeemable Debentures.)

4. Subject to the qualifications as given under "Basis for Qualified Conclusion" paragraph above and based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the aforesaid Indian Accounting Standards and other accounting policies generally accepted in India, has not disclosed the information required in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulation 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. Other Matters:

Interest write back on Deposits/Debentures/Debt on settlement with Depositors /Debentures /Debtholders for the three months ending 30<sup>th</sup> June 2020 is considered in the above statement as exceptional item and details are given against SI No VI of the unaudited financial results. The principal portion written back on such settlement is being directly taken to the Balance Sheet as Capital Reserve as detailed in Item B of unaudited financial results read with Note no. 7 of Notes to Unaudited Financial Results. Our conclusion is not qualified in this matter.

The results of the Company for the comparative quarter and year ending 31<sup>st</sup> March 2020 shows profits on account of exceptional income as detailed in SI No VI of the Statement read together with Note No 12 of the Notes to the unaudited financial results. The Company would have incurred loss for the quarter and year ending 31<sup>st</sup> March 2020 if income as aforesaid were not earned. Our conclusion is not qualified in this matter.

NOTES TO STATEMENT OF UNAUDITED FINANCIAL RESULTS FOR THE QUARTER ENDED JUNE 30, 2020

1. The above results have been reviewed by the Audit Committee and thereafter approved by the Board of Directors at the meeting held on September 15, 2020. The Statutory Auditors of the Company have carried out the Limited Review of the aforesaid results.
2. The figures of the quarter ended March 31, 2020 are the balancing figures between the audited figures in respect of the full financial year ended March 31, 2020 and the published unaudited year to date figures for the nine months ended December 31, 2019 which were subjected to limited review.
3. The Company does not have business in more than one reportable segment as per the Ind AS 108 Segment Reporting and therefore segment-wise reporting is not applicable.
4. The Company's secured non-convertible debentures are secured by mortgage on Land and Buildings (Free hold and Lease hold) situated at Udupi District of State of Karnataka, State of Goa, Nasik District and Mumbai in State of Maharashtra and floating charge on receivables and book debts. In the opinion of the Company's management, the market value of the security offered to the holders of the aforesaid debentures is sufficient to cover the liability.
5. The Company has not recognised Deferred Tax Assets in excess of Deferred Tax Liabilities, as a matter of prudence.
6. The Company has stopped (i) repayment of matured debentures and subordinated debts and (ii) payment of interest on debentures and subordinated debts from July 1, 2002 and had proposed a scheme of arrangement before the Honorable High Court of Karnataka for restructure of its liabilities (which has since been withdrawn and the Company is exploring the possibility of presenting a new scheme of arrangement). Further, the Company has also stopped repayment of deposits matured for repayment and interest thereon from the aforesaid date. All debts of the Company i.e. debentures, subordinated debts and deposits are matured for repayment.

There are also many instances of settlement of debentures, debts and public deposits at discounted rates with partial/full waiver of interest, which has been done with mutual consent. The remaining depositors/debenture holders/debt holders have approached the Company for settlement of the dues and the Company is in the process of the same. Due to such settlements, the total liability of the Company has reduced from Rs. 10,774.26 lakhs (as on March 31, 2002) to Rs. 743.44 lakhs as on June 30, 2020.

Considering the above facts, the Company has provided for interest on deposits/debentures/debts upto June 30, 2002 and not thereafter.

Various consumer courts (including Appellate Authorities/Courts acting under the Consumer Protection Act) have passed orders for repayment of certain deposits/debentures/debts with interest and other costs. The Company has settled the dues of such customers in many cases, which also includes settlement at discounted rates with partial/full waiver of interest and many of the remaining persons have approached the Company for repayment. Accordingly, it is not feasible for the Company to ascertain accurately its liability on any given date.

7. Interest write back on deposits/debentures/debt on settlement with depositors/debenture holders/debt holders for the period of three months ending June 30, 2020 is considered in the above statement as "VI. Exceptional Item" as detailed in item no. A of the statement (given below the statement). The principal portion written back on such settlement is being directly taken to Balance Sheet as "Capital Reserve" as detailed in item no. B of the statement (given below the statement).
8. The Company has been incurring losses for the last many years mainly on account of provision against non-performing assets. The accounts have been prepared on a going concern basis as the Company's management is hopeful of recovery of dues from non-performing accounts as well as other debtors and also in view of the fact that the Company is exploring the possibility of presenting a new scheme of restructure of debts before the Honourable High Court of Karnataka.
9. The Company does not foresee any diminution in the value of investments.
10. The present activity of the Company is restricted to recovery of dues and repayment of debts. Accordingly, the income of the Company depends upon the recoveries made during the period, which varies substantially on year to year basis. Therefore, the Company has disclosed the amount of bad debts recovered, if any, under the head "VI. Exceptional Item" as detailed in item no. A of the statement (given below the statement).
11. The classification/disclosure of items in the statement is in accordance with the Schedule III of the Companies Act, 2013.
12. During the comparative quarter and year ending March 31, 2020, the Company has earned profit on account of 'Interest write back', 'Provision write back' and 'Profit on sale of Immovable Property' as detailed in item no. A of the statement (given below the statement). Thus, the result of the Company for the comparative quarter and year ending March 31, 2020 is positive. Therefore, this should not be taken as indicator of Company's performance during forthcoming periods. The Company would have incurred loss for the aforesaid periods if the incomes as aforesaid were not earned.
13. The figures for the quarter ending June 30, 2019 and the quarter and year ending March 31, 2020 have been regrouped/rearranged wherever necessary to conform to the current period presentation.
